Re: Distributorship Agreement

Dear Maurico:

This letter constitutes notice that we elect not to renew the term of your Distributorship Agreement ("Agreement") for another year. Accordingly, the Agreement shall terminate at midnite on December 31, 2006.

Leslie and I will be available to meet with you in Miami on January 19, 2007. It is our hope that at that meeting we can work out the terms of a new agreement under which our companies can continue to work together.

Sincerely,

John D. Keiffner
Vice President Sales
